

MISS CURLY AND MISS DONNA

PRAISING THE LORD! JUMPING UP and DOWN!

God is doing great things! Where is the summer going? When you read this, we will have completed 6 VBS programs and have 2 more to present. To date we have had 622 children, 900 adults, 120 youth and 780 hearts brought to the cross for various reasons which only God knows! PRAISE GOD! HE IS ON THE MOVE! All ages are receptive to the message. We stand amazed! The temperatures are not keeping people away! The summer is halfway over and Fall weekends will be busy as well! My curls may be drooping until winter gets here, but it will be a good DROOP!!!!

And now another praise! The rough wiring and framing are finished and have been inspected. The LIFT will be here the week of August 10! It will take 2 days to install and then another week or so to complete the work. The total project cost is \$62,907.46. As of this writing, we need \$ 15,586.89. Please pray! Fundraisers are being planned and we need to be diligent about paying the contractors who have done the work. This remaining amount is for the General Contractor and LIFT company. God is able! He is worthy! PRAISE GOD! I may have to put more curls in my hair in celebration!

There is excitement in the air for what God is doing. God is faithful! Miss Donna had more surgery on July 24. God is already turning this negative into a positive. Miss Donna and I will develop a puppet presentation with the assistance of the PA Breast Cancer Coalition. Now isn't that just like God? My outfit and curls will be ready! Oh, Doctor Turner is going to be surprised! He loved the jingle I wrote! PRAISE GOD!

Everything is being prepared for our BACK TO SCHOOL BASH on August 8! It is so exciting! We will have games, inflatables, crafts, FREE hot dogs/French fries/Becky's ice cream/drinks/and most of all BACKPACKS STUFFED with back-to-school supplies. All of this is possible through the THINK LOCAL ENERGY program and the grant of \$2500.00 we received through them as well as THRIVENT donors! Now that is something worth bouncing about! When you choose THINK+ as your energy supplier, you are also helping Kingdom Kidz! See you at the Puppet HOME, 4:30-7:30pm that day! I'll be part of the "CHARACTER COUNTS" puppet presentation, too!!! PRAISING GOD for this opportunity to reach out to so many! We are expecting about 1,000 to attend! PRAISE GOD!

Another PRAISE is the first Lisa K Derr Scholarship (\$500) was presented to Olivia Maynard, Milton Area High School senior, who will be matriculating at Syracuse University in the fall. Miss Donna left me at the Puppet HOME for the presentation. I think she knew I would be bouncing!

And now for the next PRAISE.....our Part time Assistant General Manager! We have hired Cheryl Delsite! What a perfect fit for Kingdom Kidz! She has hit the ground running! Or should I say bouncing? PRAISE GOD!
