

Welcome to Miss Curly's space

Well, January and February have flown by and it's March. The winds are blowing through the Puppet HOME and the activity is moving here! So much is happening! Just hold on to your hat and I'll get started!

Donna and Curly Sixteen people (children, youth and adults) auditioned for the 2018 edition of "The Mustard Seed Kidz" internet radio program. Oh what fun Miss Donna (Bridge) is having incorporating all those characters into the program which shares voices and episodes of a family who learns what having faith as small as a mustard seed can mean! Everyone did an outstanding job! I opted out of this program and allowed someone else to play the part of the teacher. The cast will begin recording the first four episodes on March 17 and then the new season begins. You can tune in to shoutcast.com and then search Kingdom Kidz Inc. There's lots of music playing on the station now and an advertisement we created. This is making my curls move! When God put that creativity into Miss Donna, I believe he broke the mold! The ideas just keep flowing. No sooner had she finished the first episode than the idea of "Kingdom Rocks" started developing. Now my curls are really bouncing. She and Miss Lisa (Derr) are presenting this series. It begins with the story of Esther! What a thriller it is! Recording for it began March 3 and will be on the same station. You'll want to tune it. It is a rocking good time! Miss Curly and Miss Kay are the rocking hostesses! I'll keep you posted as to when it will begin airing!

Sure hope you marked your calendars for March 10 when Crossfyre Ministries will present a benefit concert for Kingdom Kidz. All monies given that evening will go toward the purchase of the building and future upkeep! There will be 2 ½ hours of praise music and singing beginning at 5:30pm! I may even make an appearance! There's one slight correction though! It's been moved to the Watsontown UMC on 8th St. Drive, Watsontown because of construction being done in the Puppet HOME (more about that coming up). No admission fee. Just a love offering to help the Kingdom Kidz!

You are able to mark your calendar now for the benefit auction which is in the works also! Thanks goes to Mike Weaver, Auctioneer, who has offered to do this for Kingdom Kidz! Wow! People are so encouraging! I love it! On April 28, 8:45am until whenever we sell everything, Mike and his son, David, will be moving and grooving. It all begins with a "surprise" appearance of someone special who will present an unusual number in honor of the event! You won't want to miss that appearance! I don't think Mike or David will be able to upstage this special guest. It will keep them laughing for quite a while I do believe! Items are being collected and will be appearing on auctionzip.com. If anyone has gently used or antique items they would like to contribute, just give the office (570-838-3133) a ring and I will arrive to pick it up! Oh the curls are bouncing now! Who would have thought that I would be doing this? You never know what Miss Donna

and Miss Lisa will ask the team to do. No sitting around or going to sleep at the Puppet HOME!

And yet another exciting item! I know! Can you take any more excitement from me? Ava Keefer, a Warrior Run senior art student, and her fellow students have begun painting a mural for the wall in Peggy's Palace. Do you know what parachute cloth is? Well, I didn't until recently. That's what they will paint the scene on and then hang it on the wall! This is really getting exciting! Glad they didn't hand me a paint brush. These kids are true artists. What talent! I got a glimpse of what the project will look like and it is absolutely beautiful! Those talented artists will be creating Peggy riding a bicycle down a path. Now that is real talent!

May I close with a final exciting item? It is rather chilly here at the Puppet HOME. No, it's not because of air conditioning! Our furnace has stopped working. Also, the pipes under the floor in Peggy's Palace have broken and what a mess! So the puppet dinner theater on March 18 will be held at the Watsontown CMA (8th St. Drive, Watsontown). I'm not allowed to help clean up the mess! But I can talk and say that this is an expense for both Watsontown UMC who still owns the building and Kingdom Kidz. How will God's people respond? Contractors have been called and are giving estimates. We know God owns the "cattle on a thousand hills" and is Bigger than the situation. So we are going to move in faith on this journey!

This will mean that the Friday night programs are being rescheduled and I will be bouncing up and down when we can begin again. Lots of things are in the making here at the Puppet HOME! Stay tuned!

Don't forget to visit Raise the Region and all the activities on March 14 and 15. And if you can help in anyway with a monetary donation, we would greatly appreciate it. God has blessed the Kingdom Kidz so much through many people at our presentations!
